

## Support St. Tim's Team at Relay for Life

**“Once Upon a Cure”**

**Friday, June 14 - Saturday, June 15, 2013**

American Cancer Society's Relay for Life of Richland Area for 2012 will take place from **noon Friday, June 14 to noon Saturday, June 15, 2013** at the **Richland Township Park** (32nd Street, South of the Village of Richland).

St Tim's Church's team goal is raising **\$2,000** to further the American Cancer Society (ACS) mission to prevent cancer, save lives, and diminish suffering from cancer. Funds raised support research, education, advocacy and service. Since 1946, ACS has funded \$3.6 billion in research to find cures, including \$20 -\$25 million per year to Michigan and Indiana university researchers. We join over 20 other teams to raise \$80,000 in the Richland area.

St Tim's will raise funds through donations and sponsorship of walkers, luminaria sales (\$10 each) and St Tim's Heavenly Food concessions at the event. **Friday's menu includes grilled brats, chicken breasts, and burgers; chips, pop, water, and ice cream, as well as the Boudeman kids' lemonade and cookie stand.** All around the track, other teams will have concessions and activities to raise funds as well.

**Support St. Tim's Relay for Life Team** by purchasing luminaria (in honor or in memory of friends and family). Please make checks payable to **"American Cancer Society"**.

Sign up at Church or contact **Jari Pulford, jaripulford@aol.com or 731-4258.**

If you are able to attend Relay for Life, consider **signing up to raise money by walking the track for 1/2 hour.** Also, we **need people to help** with our concession sales at the St. Tim's Heavenly Food tent on **FRIDAY afternoon and evening.**

Cancer survivors and their caregivers/supporters are invited to the **Victory Lap at 6 PM Friday**, followed by a dinner in their honor. **At dusk Friday**, the track will be lined with lighted luminaria, a moving tribute in honor or in memory of friends and loved ones.

Nearly all of us have been touched by cancer. Join the St. Tim's team to fight cancer and find a cure.

**Sign up to walk, work at the tent and purchase luminaria.**
